"If you could only sense how important you are to the lives of those you meet; how important you can be to the people you may never even dream of. There is something of yourself that you leave at every meeting with another person." ~Fred Rogers

Alma Intermediate School / December 16-20, 2019

For emphasis with students about Chromebooks: We've had sixteen broken screens this year at \$40. each (\$640.total). Students need to be especially careful during transitions. Mrs. Bailey and Mrs. Matheny will be reviewing procedures during their classes and with us all reminding students prior to transitions, we should see a big reduction in damaged Chromebooks.

Safety: Check classrooms carefully, especially on December 20th, to be sure all is secure for the break.

Michael Bridges and Sondra Friend called words and judged the school-wide spelling bee.

The Christmas Store was a hit with students! Thank you to the parents who staffed and stocked the store.

Thanks to Colby Newton for his donation to the AIS cafeteria this week. He enjoyed seeing the changes from when he was in school.

It's always a treat to see dads joining their kids for lunch, especially when their work schedule limits visiting time at home.
